27 March 1958

Dear Bob:

25X1

Reference is made to verbal conversation between [redacted]  
[redacted] regarding the frangible scimitar  
antennae.

25X1

It is requested that you coordinate with [redacted] of HW regarding the design of a frangible scimitar antennae as a possible replacement of the present ventral antennae used with System VI.

25X1

We have asked RW for their proposal and likewise request that you submit yours for your portion of this new type antennas.

Very truly yours,
